

BARROW CONSTRUCTION  July 2022**CLIENT**

Barrow Construction (Pty) Ltd

PROJECT

Ellipse Cassini Building Project

INDUSTRY

Construction

REGION

Waterfall City, Midrand, Johannesburg

SOLUTION

1 x Alimak SC 45/30 was installed on the new, high rise luxury residential apartment development in Waterfall City, in order to assist with moving all of the finishes for this grand building. There were between 9 and 4 landing gates which were constantly being moved to new levels as the fit-out of the lower levels is completed and new floors are ready for fit-out on the top.

DATE

Installed in July 2022

PRODUCT

1 x Alimak SC 45/30
