LIFT REFURBISHMENT

17 April 2023

CLIENT

Leading Energy Company

INDUSTRY

Energy

SOLUTION

1 x Alimak SE 600 FC lift refurbished for a client in Secunda. The stack elevator was badly damaged due to a corrosive environment and as a result required a complete refurbishment. Libra-Plant removed the stack lift and transferred it to our workshop where all the required components were ordered new and were replaced. Libra-Plant re-installed, wired, tested and commissioned the refurbished lift.

DATE

Re-installed in March 2023
